Microsoft Certified Trainer 2018-2019

Issued by: Microsoft

Issued to: RAJNISH KUMAR JHA

Issued on: 24 November 2018

Description

Many of Microsoft's software and technologies are technically complex, and professionals may require training from knowledgeable trainers in aspects of their use. In order to make such training generally available, Microsoft has developed the Microsoft Certified Trainer (MCT) Program which grants membership to professional trainers and learning consultants who demonstrate and maintain technical and instructional expertise on Microsoft technologies and who have complied with all requirements.

Exam 535: Architecting Microsoft Azure Solutions

Issued by: Microsoft

Issued to: RAJNISH KUMAR

Issued on: 4 December 2018

Description

Passing Exam 535: Architecting Microsoft Azure Solutions validates the earners ability to define the appropriate cloud native, cloud migration, and hybrid cloud solutions to meet the required functional, operational, and deployment requirements through the solution lifecycle.
